Clr Gartner spoke on Sustainable Energy Policy, recently determined by Shoalhaven City Council. Summarised initiatives throughout the City e.g. many buildings to have solar panels installed. Unanimous vote from Councillors, to pass.

Crack in road at Anson Street. Want on-site inspection from Council engineers to ascertain the cause of the crack. Will heavy equipment make it worse? Narrell will 'scan-send' a photo to Council.

Discussion on park funding in Old Erawal bay. Forum willing to help them in their project if they initiate some contact, such as send reps to a Basin Villages Forum meeting.

Meeting closed 8.40 pm

**GENERAL BUSINESS**

**Anson Street, Public Hearing:**

**Monday 1<sup>st</sup> July, 5.30 pm**, Council chambers. Anson Street Activists have organised 8 speakers. Met to work out who would speak on what issue.

The Basin Villages Forum supports Shoalhaven City Council's endeavour to reduce the height of buildings in Anson Street development.

**Boarding house. 120 MacLeans Point Road**, Sanctuary Point Road. Approved. Caveat that there must be a manager's residence in each building; the caveat is attached to building, not to owner.
